

The Community Christmas Tree Project is a one on one gift-giving Tree sponsored annually by Soroptimist International of Modesto and Modesto Sunrise Rotary. Partnering with us are KHOP 95.1 and Vintage Faire Mall.

**This year, due to Covid-19 restrictions, we will not have our Kiosk at Vintage Faire Mall.
Still, we will be serving near 1500 local children, and we need your financial support!
In order to protect our children and their families as well as our volunteers,
only our members will be shopping for the children.**

The project is a 501 (c) (3) non-profit organization, tax ID #77-0435675.

Our Misison: A child, no matter their circumstance, deserves to live the dream of a “Magical Christmas Morning!” Please help us give the “Gift of Hope” to one of our children on the Community Christmas Tree.

The event supports local disadvantaged youths, ages from birth to 17 years. This is a true partnership in our community of individuals and businesses who choose to make a difference for our children. The names of the children are selected and referred by Social Service Agencies and Modesto area schools. This program is an opportunity to bring a little “Christmas Magic” into the life of a child who is less fortunate.

For most of these children, the gifts provided through this project are the only ones that they will receive for Christmas. For many of them it is their one opportunity to receive new clothing. The project also provides warm coats, new shoes and blankets and other necessities, which are greatly needed, in addition to a “Christmas Wish” purchased especially for them!

**Please make a donation to support our shopping for the children.
Donations are tax deductible and will be accepted at the address indicated below.**

**Community Christmas Tree
P.O. Box 1353 – Modesto, CA 95353**

For more information on the program contact:
Debra Campbell at d1982coe@aol.com

**We do NOT accept the names of children directly from their parents.
Children must be referred from one of the participating agencies or schools.**
